A Chara,

I write to remind you that the Corporate Department of Foreign Affairs, which you are responsible for, is derived from the Department of External Affairs, as established on 22nd January 1919 for the protection of the entire Sovereign Territory of Éire. This Territory comprises the Island of Ireland, a Sovereign Independent Nation State, which was ratified by the Will and Wish of the People of Ireland, on 21st January 1919.

Recent broadcasts in the media have raised concerns for me and I must state that I remain to be satisfied that relations between Ireland and other Foreign States are being managed appropriately in the best interests of the People of Ireland. Consequently, I have felt compelled to take up interim occupancy of the Office of the Chief Justice in order to help protect the Rights of the People of Ireland and the Sovereign Territory and Nation State of Éire.

Accordingly, and respectfully, I hereby call on you, as Acting Minister for Foreign Affairs, to clarify and confirm your position and primary objective, regarding the protection of the Sovereign Territory and Nation State of Éire for the People of Ireland.

Please furnish your response within 7 days from the date of the letter.

Yours Faithfully,

William James McGuire
Sovereign President of the Irish Republic
Interim Occupier of the Office of Chief Justice
